

THE BRITISH OVERSEAS RAILWAYS HISTORICAL TRUST LIBRARY CATALOGUE (2011 PROVISIONAL EDITION)

This is an update of the first attempt at listing the books which BORHT holds. Members wishing to access the library are requested to contact Mostyn Lewis and arrange that a committee member will be at Greenwich to grant access. Books are not at present available for loan (some are allocated to a future lending library which awaits manpower for its organisation and resolution of copyright issues resulting from the EU Directive), but a photocopy is available on site.
